

# NYS DAIRY DISTRIBUTION

BOUNDLESS COLLABORATION

*Dairy for All*

Five food banks | One state association | Two dairy partners | FANO

## BARRIERS

- 37% Consistent dairy product availability
- 73% Lack of Food Bank Warehouse Cooler space
- 55% Short Code Dates on Donated Dairy
- 46% Cost to Purchase

## APPROACH

Develop models that decrease the dairy gap of 67 lbs. per person in need under the current FANO Dairy Strategy.

## DAIRY PILOTS

### Hypothesis

Our pilots could reduce the significant gap in getting dairy to our neighbors in need by increasing food bank and partner agency capacity.

### Direct Dairy Distribution

4 food banks | 25 partner agencies  
24,408 gallons milk delivered & distributed

### PACT Unit

1 food bank | 1 partner agency  
1008 gallons milk distributed

### Just In Time

1 food bank | 22 partner agencies  
24,273 pounds of dairy distributed
